### ✓ Small Business

JVC-LA Project Management Alliance is an 8a, Woman Owned, Service Disabled Veteran Owned Joint Venture, approved by the U.S. Small Business Administration Mentor-Protégé Agreement in November 2022.

## ABOUT

JVC-LA Project Management Alliance, LLC, brings together the strength of two premier small business consulting firms ---J. Vollbrecht Consulting (JVC) and Longenecker & Associates (L&A) --- to enhance clients’ success in the national security, environmental remediation and clean energy development arenas. JVC-LA Project Management Alliance was formed with complimentary expertise and a shared commitment to Project Management excellence. Our capabilities in areas such as project management, data analysis and portfolio management serve to enhance delivery of capital asset projects across the DOE. Our core capabilities of mission and regulatory assurance, project delivery and operations enable a mission-focused delivery model.

## EXPERIENCE

JVC-LA Project Management Alliance is actively supporting clients across the DOE sites, including:

- Quality Assurance and Corrective Action Reports for Washington River Protection Solutions
- Staff Augmentation for Project Management role at Oak Ridge National Laboratory
- Providing Subject Matter Expertise in the area of Earned Value Management Systems to support procedure development and to lead an Integrated Baseline Review for the Central Plateau Cleanup Company (CPCCo) at the Hanford Site
- Supporting the Environmental Management System at CPCCo

Additionally, JVC and L&A have worked together to help clients achieve success at sites and projects across the country, including:

- JVC and L&A have led the implementation of an enterprise risk management system and are currently supporting critical infrastructure projects. The team has worked together to deliver project schedule templates, monthly reporting automations and Project Manager training for the Princeton Plasma Physics Laboratory
- Developed and Implemented Earned Value Management Reporting processed and training for the ~\$4B Advanced Reactor Demonstration Project at the Idaho National Laboratory
- Delivering a comprehensive Independent Cost Estimate, Schedule and Risk Model for the CREST Project at Sandia National Laboratory

## WHO WE ARE

### JVC

JVC is a certified 8a, women-owned and service-disabled veteran-owned small business that specializes in providing project management and project controls support services to clients across the United States. The JVC team is currently providing this expertise at 8 of the DOE National Laboratories, successfully integrating with the laboratory teams to enhance their capabilities through excellence in leadership, program management and strategy execution

### L&A

Founded in 1989, L&A is a premier woman-owned small business that supports the U.S. Department of Energy and the National Nuclear Security Administration. L&A leverages its experience throughout the nuclear security and cleanup enterprise to improve mission performance, deliver capital asset projects to schedule and budget, implement effective governance approaches and develop targeted business strategies for both large and small businesses.
